

GOVERNMENT DEGREE COLLEGE NOHRADHAR'S IQAC ORGANIZES A Conference on "Role of Pre-Orientation in Higher Education : A Community Engagement"

About

Government Degree College, Nohradhar is organizing a one-day conference on "Role of Pre-Orientation in Higher Education: A Community Engagement" on 08th April 2025, under the esteemed chairmanship of Principal Prof. Sangeeta Jhagta.

This conference aims to explore the pivotal role of pre-orientation programs in bridging the gap between school education and higher education. It emphasizes how early engagement and structured orientation can help students transition smoothly into college life, enhance their academic preparedness, and build stronger connections between educational institutions and local communities.

With a focus on community involvement, the conference will bring together educators, academic leaders, school counselors, and stakeholders to discuss innovative strategies, share best practices, and create a collaborative framework for student outreach and support. The event will also highlight the importance of sensitizing students to higher education opportunities, especially in rural and remote areas, ensuring inclusive and equitable access to quality education.

Focus Points

- **Enhance Academic and Social Preparedness:** To explore how pre-orientation programs can provide students with the tools and support needed to successfully transition into college life, while addressing critical issues such as drug abuse prevention and mental health support.
- **Foster Community and Institutional Collaboration:** To develop strategies for bridging the gap between educational institutions and local communities, ensuring that both academic and social challenges, including drug abuse, are effectively addressed through collaborative outreach programs.
- **Promote Inclusive Access to Higher Education:** To discuss how pre-orientation programs can help raise awareness about higher education opportunities in rural and remote areas, while also emphasizing the importance of providing resources and support systems that prevent drug abuse and substance-related issues among students.
- **Create a Supportive and Safe Campus Environment:** To identify best practices for supporting students in their transition to college, with a focus on early intervention programs aimed at preventing drug abuse and fostering a healthy, balanced college experience for all students.
